Hello sweetheart, it's Brenda

Hello sweetheart, it's Brenda

Hold on honey

Come on U guys, put it in the bank, I'm tryin' 2 talk

Well, we're so sorry

Come on Susan, I'll tuck U in (OK)

I'm sorry darling, where were we?

What? No, not really

Nah, it's just something she says

Whenever she goes 2 see this Spanish guy she knows
in the valley

Never mind that

Let's talk about U and I

Baby, I need U so bad

Best damn love I've ever had

U are the sunshine that lights up my day

In the night time, U're the only way

U're some kind of lover and U're mine, all mine

U're some (kind of lover)

Ooh, oh baby, U're some (kind of lover)

Ooh, honey, U're some (kind of lover)

More bottle of some (kind of lover)

Lover

When I say I love U

Just can't believe that it's true

Ain't no denying what I'm tryin' 2 say

Oh, U're oh so good in every way

U're some kind of lover and U're mine, all mine

U're some (kind of lover)

Oh baby, U're some (kind of lover)

Baby, don't let go, I don't wanna be free

Come on baby, come with me

Boy, U got me hooked and I'm willingly tied
I wanna make it so satisfying

U're some kind of lover and U're mine, all mine
U're some (kind of lover)
Ooh, oh baby, U're some (kind of lover)
Oh yeah, oh honey, U're some (kind of lover)
Oh baby, U're some (kind of lover)
Lover

Oh yeah (kind of lover)
Ooh, oh yeah (kind of lover)
Oh honey, U're some (kind of lover)
Oh baby, U're some (kind of lover)
Lover

(Kind of lover) {repeat in BG}

Remember that time on the beach
Oh, I'll never forget it
It was the first time
What do U say? U wanna go again?
Oh, come on honey
Ooh, oh, mmm, yeah
Faster, faster, faster, faster, oh faster, faster, ahh!

I'm embarrassed
