Brother i know your mean to me but i am done telling
on you i promis i will stop for now because i am soon
ganna be in 3 grade i know your 12 im 8 its so hard to
be nice for once to me and you.I'm sorry if i dont you
know me i know you I will try to stop and you will try to
stop to I like you I know your my brother i try you try i
like you as a brother i promis i will be nice to you till im
so mad at you.Here are nice stuff you help me clean
my room you tould me $2 \times 2 = 4$ you helped me with so
much stuff but sometime I dont like it what you do and
your in 5 grade soon you will be in middle school then
we can never fight no more.I willl mis the great times
we had toghether i will mis the fun we had you will
change I will also change.
