It's so easy to forget about  
All the things that you care about  
In a world unfit for a dreamer  
I know, I'll be buried slow(ly)

Beneath a heap of regret  
The past wont let me forget  
I'm on my own, I'm all alone  
Broken down and upset

Old sneakers help me escape  
Senseless thoughts that suffocate  
On countless walks down city blocks  
I know, the truth comes slow(ly)

Beneath a heap of regret  
The past wont let me forget  
I'm on my own, I'm all alone  
Broken down and unkempt

There's something about the way you stay  
On the tip of my tongue  
When the day is done, the light from the sun  
Still shines through your eyes

And I guess that regret  
Is something you forget  
Just a moment lost to time

Gonna be okay,  
Gonna wake up today
