The sun won't set
Until you leave
Burn three more cigarettes
And take what you need
In the corner of the room
With a picture of you
In my arms

The subtle things,
The subtle things they matter
All the ugly things,
The ugly things are shattered
My picture of you
With a smile

We sit and talk
Can't make sense of anything
So we stand up and walk
Sleepwalk through this daydream
A picture of you
In my heart

The sun won't set
Until you leave
Burn two more cigarettes
And take what you need
In the corner of the room
With a picture of you
In my tears

The silly things,
All the silly things are real
The stupid things,
The stupid things they tear
A picture of you
From my hands

The sun won't set
Until you leave
Burn one last cigarette
And take what you need

In the corner of the room
With a picture of you
In my dreams
