Words are flying out like  
Endless rain into a paper cup  
They slither while they pass  
They slip away across the universe  
Pools of sorrow waves of joy  
Are drifting thorough my open mind  
Possessing and caressing me

[Chorus]

Jai guru deva om  
Nothing's gonna change my world  
Nothing's gonna change my world  
Nothing's gonna change my world  
Nothing's gonna change my world

Images of broken light which  
Dance before me like a million eyes

That call me on and on across the universe  
Thoughts meander like a  
Restless wind inside a letter box  
They tumble blindly as  
They make their way across the universe

[Repeat Chorus]

Sounds of laughter shades of life  
Are ringing through my open ears  
Exciting and inviting me  
Limitless undying love which  
Shines around me like a million suns  
It calls me on and on across the universe

[Repeat Chorus]

Jai guru deva
