[Chorus]

Come to my window
Crawl inside
Wait by the light of the moon
Come to my window
I'll be home soon

I would dial the numbers
Just to listen to your breath
I would stand inside my hell
And hold the hand of death
You don't know how far I'd go
To ease this precious ache
You don't know how much I'd give
Or how much I can take

[Refrain]

Just to reach you
Just to reach you
Oh to reach you

[repeat Chorus]

Keeping my eyes open

I cannot afford to sleep
Giving away promises
I know that I can't keep
Nothing fills the blackness
That has seeped into my chest
I need you in my blood
I am forsaking all the rest

[repeat Refrain and Chorus]

I don't care what they think
I don't care what they say
What do they know about this love anyway

[repeat Chorus except last line]

I'll be home, I'll be home

Iâ'm coming home

[repeat Chorus]
