Another summer day
Has come and gone away
In Paris and Rome
But I wanna go home

Maybe surrounded by
A million people I
Still feel all alone
I miss you, you know

And Iâ€™ve been keeping all the letters
That I wrote to you
Each one a line or two
â€œIâ€™m fine baby and how are you?â€
Well I would send them but I know that
Itâ€™s just not enough
My words were cold and flat
And you deserve more than that

Another aeroplane
Another sunny place
Iâ€™m lucky I know
Iâ€™ve got to go home

Let me go home
Cause Iâ€™m just too far
From where you are
I wanna come home

And I feel just like Iâ€™m living

Someone elseâ€™s life
Itâ€™s like I just stepped outside
When everything was going right
And I know just why you could not
Come along with me
That this is not your dream
But you always believed in me

Another winter day has come
And gone away
In Paris and Rome

I wanna go home

And Iâ€™m surrounded by
A million people I
Still feel all alone
Let me go home

Let me go home
Cause Iâ€™m just too far
From where you are
I wanna come home

Iâ€™ve had my run
And baby, Iâ€™m done
I gotta go home
It will all be all right
Iâ€™ll be home tonight
Iâ€™m coming back home
