Yesterday I got so old
I felt like I could die
Yesterday I got so old
It made me want to cry

Go on go on
Just walk away
Go on go on
Your choice is made
Go on go on
And disappear
Go on go on
Away from here

(Chorus:)
And I know I was wrong
When I said it was true
That it couldn't be me and be her
In between without you
Without you
Yesterday I got so scared
I shivered like a child
Yesterday away from you
It froze me deep inside

Come back come back
Don't walk away
Come back come back
Come back today
Come back come back
Why can't you see
Come back come back
Come back to me

(Repeat Chorus)

Without you

(Repeat Chorus)

Without you
