I took my love, I took it down
I climbed a mountain and I turned around
And I saw my reflection in the snow covered hills
Til the landslide brought it down

Oh, mirror in the sky, what is love?
Can the child within my heart rise above?
Can I sail through the changing ocean tides?
Can I handle the seasons of my life?

[Chorus]

Well, I've been afraid of changing
Cause I've built my life around you
But time makes you bolder
Even children get older
And I'm getting older, too
I took my love, I took it down
I climbed a mountain and I turned around
And I saw my reflection in the snow covered hills
Til the landslide brought it down

Well if you see my reflection in the snow covered hills
Well, maybe

[Repeat Chorus]

So take this love and take it down
If you climb a mountain and you turn around
And if you see my reflection in the snow covered hills
Well, maybe

Well, maybe

The landslide will bring you down
