

## 6 Cycle Mind "Upside Down"

Visit "[Upside Down](#)" on MotoLyrics.com

I've been spending some time, thinking I'd be alright  
Don't know if I could really make it tonight  
Lie awake in the dark, come down then I start  
Thinking about you is almost breaking my heart  
I don't know where I went wrong, or what's going on  
Baby, I feel like our love's lost tonight  
Should I stay, should I go? Well, I really don't know  
Lately I've been missing you so

[Refrain]

Baby, you don't understand our love lies lost  
But you're still holding my hand  
Oh and then you walk away  
Just tonight, I want you to stay

[Chorus]

You're turning me on, you turn me around  
You turn my whole world upside down  
You're turning me on, you turn me around  
You turn my whole world upside down  
Everytime I hurt you, well it's hurting me too  
Don't know if I could really stay here tonight  
Tired of thinking of you, I never think that you do  
Tell me what am I supposed to do  
Well, I just wanted to say that I need you today  
Tell me it's all gonna work out alright  
I don't know where I should I start  
But with all of my heart  
Baby let me be your lover tonight

[Refrain]

Baby, you don't understand our love lies lost  
But you're still holding my hand  
Oh and then you walk away  
Just tonight, I want you to stay

[Chorus]

You're turning me on, you turn me around  
You turn my whole world upside down  
You're turning me on, you turn me around  
You turn my whole world upside down  
Oh you know, you turn me upside down

You know, you turn me upside down

[Chorus]

You're turning me on, you turn me around

You turn my whole world upside down

You're turning me on, you turn me around

You turn my whole world upside down
