She so sexy the way she talks the way she walks  
It really drives me crazy I think I like you girl  
Enjoys the moment and takes her time and does it right  
Cause she not just the average I really like you girl

And something about her lips the way she kiss  
The way she walks them heads go  
I see her like I should Oh then she'll look and it's so  
sweet  
It knocks me right up off my feet now baby I see her  
like I should

Chorus

Oh Girl i'll never give you up  
Cause ain't no other good enough  
And nothing can compare to you  
I waited all my life to be with you

Oh here I stand and when I fall  
Only you'll come back for more  
Greatest love you'll ever see  
And girl your love is good for me

Girl you got me thinking bout you everyday  
Men can't believe her now  
I wanna say her touch her smile keeps me livin right  
I gotta say she's the best for me  
(I guess I tried and tried) to hide the way I feel  
I can't explain it can't explain it  
it's just too damn good  
So I can tell the world you got my heart  
I love your mind design

Chorus

Oh Girl i'll never give you up  
Cause ain't no other good enough  
And nothing can compare to you  
I waited all my life to be with you

Oh here I stand and when I fall  
Only you expect for more  
Everything she does is sweet  
She knocks me off my feet Oh Girl

?iÂ´d like to invite Mr. Steve Wonder to my album  
Come on Stevie? (Harmonica Solo)

Chorus (Repeat)

Oh Girl iÂ´ll never give you up  
Cause ainÂ´t no other good enough  
And nothing can compare to you  
I waited all my life to be with you

It knocks me off my feet

Your love is so damn divine
