It's easy to fall in love,  
It's easy to fall in love with you.  
It's easy to fall in love,  
It's easy to fall in love with you.

You go outside dressed like that,  
You knew what was going to happen, didn't you?  
You talk to me like that,  
You knew I was slowly falling in love with you.

And aahh... oooh  
And aahh... oooh

You know it's your neglect,  
It's the reason that I'm so obsessed with you.  
And when I asked you your name, you said "John  
Wayne",  
And I guess it's true.

Cause then you shot me down,  
I doubled over and I hit the ground right in front of you.  
I guess in the Wild West,  
It's okay to shoot the pest that's annoying you.

And aahh... oooh  
And aahh... oooh

It's easy to fall in love,  
It's easy to be alone.  
It's easy to hate yourself when all your love is inside  
someone else.  
It's easy to take it all,  
It's easy to give it too,  
When there's more people out there to love, than  
people who love you.

And aahh.... oooh

It's easy to fall in love,  
It's easy to fall in love with you.  
The reason I'm so obsessed, you knew what was gonna

happen, didn't you?  
I guess in the Wild West, you knew I was slowly falling  
in love with you  
It's easy to fall in love,  
It's easy to fall in love with you.
