HARRY:

Underneath these skies
I hear the groans, I feel the eyes
of my teachers, my mother, and my dad
I know how right they are
And it stings my lighting scar
To know that I couldâ€™ve messed things up so bad

Now the schoolâ€™s in danger
And my friend, Hermione Granger
Has been petrified
Voldemortâ€™s been plottinâ€™
But thereâ€™s one thing heâ€™s forgotten!
Iâ€™m still alive

Iâ€™ve got a plan that Iâ€™ve been kickinâ€™ around
My friendâ€™s in trouble so Iâ€™m skipping this town
Hey, itâ€™s no mystery
Itâ€™s all so clear to me now!

I gotta get back to Hogwarts (Harry puts his Gryffindor
tie back on)
I gotta get back to school
I gotta myself to Hogwarts
How have I been such a fool?
Back to witches and wizards and magical beasts
To goblins and ghosts, itâ€™s a magical feast
Itâ€™s all that I love and itâ€™s all that I need
At Hogwarts, Hogwarts
I think Iâ€™m going back

Iâ€™ll save my friends, gonna laugh till we cry
Take my firebolt, gonna take to the sky
No way this year anyoneâ€™s gonna die
And itâ€™s gonna be totally awesome
Iâ€™ll cast some spells with a flick of my wand
Defeat the Dark Arts, yeah bring it on
And do it all with my best friend, Ron
Cause together, weâ€™re totally awesome

(Ron enters)

RON:
Yeah, cause together we're totally awesome!

(they talk a bit)

RON:
We don't have long, but we're goin' back
Don't go for work, don't go there for class

HARRY:
As long as we're together

RON:
Gonna kick some ass

HARRY & RON:
And it's gonna be totally awesome
Yeah, and it's gonna be totally awesome
We've sick of sulking and this moping around
It's like we're sitting in the lost and found
Don't take no sorcery
For anyone to see how
We gotta get back to Hogwarts
We gotta get back to school
We gotta get ourselves to Hogwarts
Where everything is magicooooo!
Back to witches and wizards and magical beasts
To goblins and ghosts, it's a magical feast
It's all that I love and it's all that I need
At Hogwarts, Hogwarts
I think we're goin' back

(they return to Hogwarts)

KIDS:
Who knows how fast the school's gonna blow
This is our last chance, the end of the show
Grab the whole cast; Neville, Luna and Cho
CHO:

Oh no, this is way too awesome!

KIDS:
We're back to do anything that we can
To save the place where our story began
And here we are and alakazam
Here we go, this is totally awesome
This school has taught us everything we know
The wait is over and we're itchin to go
I think we're ready for
Our favorite Gryffindor!
AHHHHH!

(Harry and Ron land the Flying Car and are greeted by
the Hogwarts Kids, who part to make
way for Headmaster McGonagall)

MCGONAGALL:

Welcome both of you to Hogwarts
I welcome back you both to school
Did you know that here at Hogwarts
Weâ€™ve always known that you are cool?
Youâ€™ll always have a home at Hogwarts
All you hotties, nerds and tools
The time has come to fight for Hogwarts
So letâ€™s go and beat these nasty fools!

(Draco returns)

KIDS: (singing)

Back for witches and wizards and magical beasts
For goblins and ghosts, it's a magical feast
It's all that I love and it's all that I need
At Hogwarts, Hogwarts
Back for spells and enchantments, potions and friends
For Gryfindors, Hufflepuffs, Ravenclaws, Slytherins!
Back to the place where our story will end
At Hogwarts, Hogwarts

RON:

I'm sorry, what's it's name?!

KIDS:

Hogwarts, Hogwarts

RON:

I didn't hear you guys!

KIDS:

Hogwarts, Hogwarts

HARRY: (spoken)

Man, I'm glad I'm back.
