JAMES:

You donâ€™t know what youâ€™re hiding from  
How did life become such a sad song

HARRY: (speaking) Dad?

SIRIUS:

You donâ€™t know what youâ€™re fighting for  
What you came here for, feeling all alone

HARRY: (speaking) Sirius.

JAMES:

You have loved

SIRIUS:

You have lost

JAMES & SIRIUS:

How could this be happening?

JAMES:

All alone

SIRIUS:

On your own (REMUS LUPIN's ghost appears)

JAMES, SIRIUS & LUPIN:

But you shouldnâ€™t give up

No you shouldnâ€™t do that!

HARRY: (speaking) Lupin!

JAMES, SIRIUS & LUPIN:

Never ever give up!

No you never do that!

HARRY: (speaking) Dad, Sirius, Lupin!

(they talk a bit)

JAMES: (singing)

Nothing is made to last

The sun goes up, and falls so fast

LUPIN: (singing)

The clock looks still, still the hours pass

And all that time is never coming back (LILY EVANS  
appears and joins the three  
Marauders)  
JAMES, SIRIUS, LUPIN & LILY: (singing)  
Everything has an end  
Even the lives of family and friends  
Everything has an end  
Even when it doesn't make sense

(some more talk. Lily, Cedric and Snape appear)

JAMES, SIRIUS, LUPIN, LILY, CEDRIC & SNAPE:  
You can't hold on to what's gone  
Don't try to fix it, just move on  
Only then, you'll see the world all brand new

(Snape monologues)

JAMES, SIRIUS, LUPIN, LILY, CEDRIC & SNAPE:  
Everything ends  
Everything ends  
Everything ends  
Everything ends

JAMES, SIRIUS, LUPIN, LILY, CEDRIC & SNAPE: (singing)  
After the sun has had its rest  
It will arise, and light up the sky!  
You can't hold onto what's past  
Nothing is made to last.
