ARAGOG:

Hey

Please

Don't run away from me, oh no

Baby

I cannot breathe

Without you inside of me

When I look at you I think of one thing

I feel embarrassed cuz I know it's obscene

I want you

I need you

I'll teach you what it's like to party with me

I'm getting hungry baby it's time to feed!

Get in my mouth

Get into my mouth

Get in my mouth

I know you want to baby

Get into my mouth

Don't even try to escape me

Hey

Hey

It's gonna be ok, oh no

Stay

Don't run away

You cannot hide from me it's useless anyway

You cannot hide from me it's useless anyway, ok!?

I need to tell you something please don't go!

ARAGOG & BACK UPS:

Get in my mouth

Get into my mouth

Get in my mouth

I know you want to baby

Get into my mouth

Don't even try to escape me

BACK UPS:

Ah ah ah etc!

ARAGOG:

You know I got this feeling it goes wherever I go
Iâ€™ll never let you go, youâ€™re mine
You know I gotta taste ya cuz you look so fine
Canâ€™t get ya outta my mind
So wonâ€™t you get into my mouth

ARAGOG & BACK UPS:

(sarcastically, mocking)

Oh no, itâ€™s a big bad spider Iâ€™m so scared!
Heâ€™s gonna eat me and Iâ€™m gonna be so tasty
oh no!
My life is over oh my god this spider is so cool!

ARAGOG:

I want you

I need you

Iâ€™ll teach you what itâ€™s like to party with me

Baby itâ€™s time to feed

ARAGOG & BACK UPS:

Get in my mouth

Get into my mouth

Get in my mouth

I know you want to baby

Get into my mouth

Donâ€™t even try to escape me

BACK UPS:

Ah ah ah etcâ€¦
