today's the first day of the greatest plan ever devised-
dressed as a 6 foot twinkie, i'll be disguised-i'll stay at
a local mcdonald's and put play-doh in the fries-if
anyone tries to stop me i'll kick them in the goods and
gouge out their eyes-if they think that they can stop me
they'll meet there demise-DAY 1! (3X)-QUICK DROP THE
DISCO BALL!-the world would be much more interesting
if it were made out of gingerbread-everything would be
much more fun if everyone was a grape instead-it
would be cool if twinkies ruled the world
