

6 Part Invention "Falling In Love"

Visit "[Falling In Love](#)" on MotoLyrics.com

I.

You and me
We got along just fine
But deep inside
I know there is more
Right next to you
I know you're the right one
Can't fight this feeling
I'm taking chances now
Refrain:
In my heart
I feel that this is something real
I don't want to let this moment go..

Chorus:

Oh! Why oh why do I feel this way?
When I'm with you I feel so alive
Oh! Why oh why will I hide away?
I can't help it
I'm falling in love with you

II.

Never ending nights
When I'm alone with you
A lifetime of dreams coming true
Nothing comes close
To what we have right now
You're the only one that matters now

Refrain:

In my heart
I feel that this is something real
I don't want to let this moment go...

Chorus:

Oh! Why oh why do I feel this way?
When I'm with you I feel so alive
Why oh why will I hide away?
I can't help it
I'm falling in love

III.

What if I fall in love?
What if I made you mine?
I wanna know, if you'll be there by my side?

Chorus:

Why oh why do I feel this way?

When Iâ€™m with you I feel so alive
Why oh why will I hide away?
I canâ€™t help it
Iâ€™m falling in love with you
