**CHORUS**

Blue, navy blue, I'm as blue as I can be  
'cause my steady boy said "Ship ahoy"  
And joined the Nay-ee-ay-vee  
He said he wanted to settle down  
And let me be his girl  
But first he had to do a little travelin' around  
And see the whole wide world

**CHORUS**

I got a letter yesterday from Tokyo  
And a souvenir  
A walky-talky wind-up little China doll  
That says "Wish you were here"

**CHORUS**

A forty-eight hour day-ate  
That boat he's sailin' on just better get here fast

Till then I'm

**CHORUS**

Diane sings an elongated "ah-ahhhhhh" while backups  
do " Blue,  
navy  
blue, I'm as blue as I can be"
