IN THE CHAPEL IN THE MOONLIGHT  
Richard Humber

There's a little old church  
That's covered with moss  
Where I held your hand tenderly  
I often go there to gaze at the cross  
And dream that you'll come back to me

How I'd love to hear the organ  
In the chapel in the moonlight  
While we're strolling down the aisle  
Where roses entwine

How I'd love to hear you whisper  
In the chapel in the moonlight  
For the love light in your eyes  
Forever will shine

Till the roses turn to ashes  
Till the organ turns to rust  
If you never come, I'll still be there  
Till the moonlight turns to dust

How I'd love to hear the choir  
In the chapel in the moonlight  
As they sing, "Oh Promise Me
