Rick Ross (Verse 1):

I'm tha magnificent with tha sensational style

far from bein' shallow cause she caught me wit a smile

actin' timid,so we back to playin tennis

we been goin' back and forth

so I tried it in aurar

conscience intervened concentrating on my cream

I'm tha king,make a move,pawns all tha way to queens

which means that I profit off of me (Yea!).

All white T's still rockin' my Nike Airs,fresh outta flight  
school,cause

i'm fly right? (Yea!)

Ain't nothin free, i'm chargin'to breathe air

if it's not a Maybach,really who da hell cares?

My money long

my nigga my money strong

if you ain't gettin' money dat mean you done somethin'  
wrong (Boss!)

John Legend (Chorus):

Swimmin' in women

Gold emblem with 2 M's in it in  
this living' is so magnificent

Rick Ross (Verse 2):

I'm tha magnificent with tha sensational style

I would always tell ma niggas but... ain't nobody  
listened.  
Words work magic  
haters wreak havoc  
there ain't nothin'on my back  
but the delicates of fabrics.  
I made a transition from the thieves  
to the biggest executive Def Jam's ever seen.  
Only yours dream  
Sean John suit and a S. Dot ring Sean Don for my crew  
bad hoes in pursuit,Masspike on a two,Gunplay he a  
glue goon wit a

Rick Ross (Verse 3):

I'm tha magnificent with tha sensational style  
when I decorate a home,marble flooring like Da Nile  
nigga you a clown

ye start wit 305 but we end at 4 pounds.  
Stop at(...?)old pound,for life is a ???

Allan Zamren on the case,so you know what you can

wanna catch my attention nigga  
throw up a dollar sign.  
One time for tha Crips,young g's buyin cribs and I

Lords when I visit Mississip.  
The game never change  
money still a focal,but its time to rape tha game

in memory of Shakir  
Boss gotta shout Oakland!

John Legend (Chorus):

champagne sippin'  
gold emblem with 2 M's in it this living is so
