A prophet that tries to live within a law  
To sanctify the path he's walking  
Obediently serve the light  
Clutching at straws - Pits like jaws  
Martytize and observe  
Observe the crow

Words are written  
Through ancient times  
Caused to scrolls  
Words are written  
Through ancient times  
Truth on scaffold  
Scars the souls

Indulge the stigmata

In the shadow of the icon  
Awaits the halls of doom  
Guarding the truth, divine and the wisdom  
Concealing the traces in light  
Revealing the forbidden  
The inhuman and the hidden  
Cast the stone

Time has come to face all the lies  
Accept and swallow all your pride  
Living in celibacy till you die  
Reborn - Witness - Crucify

The kingdom of one  
Holier than thou  
Healing hand  
Nailed to cross  
For all to see  
The saviours wounds  
It will always be heresy

Now, the one who looks beyond and far away  
Reflections gone astray  
Horizons indigo

A soul without mercy, no remorse  
The truth is hard to bare  
A soul without mercy, no repent  
Sentenced to obey  
All the years scarred the soul  
Redemption  
An image of the lie  
That soon will wither and die
