Wako Texas, Ruby Ridge, the government kills-
They justify it
Oklahoma City Federal Bulding-
DOUBLE STANDARD
They can say and do anything they want-
and answer to themselves
American justice is a joke-
I'M NOT LAUGHING

(chours)

The state commits purgery
and you still say "It's fine by me"(x3)...
Uncle sam tips the scales of justice
Another lie, another day
What will the president say?
Will the people even care?
Or make themselves think they are unaware?
Democrat, Republican, lies they boast
THEIVES RULE, IDIOTS VOTE
And you still say "It's fine by me"
You're the only reason you're not free.
