She's so kissable, huggable, lovable, unbelievable
She's a mouthful of anything and everything a man could
want
She ain't typical, she's unpredictable, she's
available, it's a miracle
How my heart stumbled
into someone so kissable, huggable, lovable,
unbelievable

Up 'til now my life has been so lonely and boring
I never thought I would find someone so

Elegant, intelligent, heaven sent, all my money spent
I put a big down payment on that titty bitty diamond
ring
She's so beautiful, it's indisputable, it's
undeniable, she's got-to-havable
She's music to my
ears, makes my heart sing, so kissable, huggable,
lovable, unbelievable

There's so many things I want to tell her
Like I love her
But every time I talk I start to stutter

She's so elegant, intelligent, heaven sent, all my money
spent
I put a big down payment on that titty bitty
diamond ring
She's beautiful, it's indisputable, it's
undeniable, she's got-to-havable
She's music to my
ears, makes my heart sing, so kissable, huggable,
lovable, unbelievable
Kissable, huggable, lovable,
unbelievable (x2)
