Tonight I celebrate my love for yu

It seems that natural thing to do

Tonight no one's gonna find us

We'll leave the world behind us

When I make love to you

Tonight i celebrate my love for you

And hope that deep inside you feel it too

Tonight our spirits will be climbing

To the sky lit up with diamonds

When I make love to you

\* Tonight I celebrate my love for you (ooh)

And that midnight song is fonna come shining through

Tonight there'll be no distance between us

What I want most to do

Is to get close to you, tonight

Tonight I celebrate my love for you

And soon this old world will seem brand new

Tonight we will both discover

How friends turn into lovers

When I make love to you

(Repeat \*)

Tonight I celebrate my love for you... Tonight
