Whoa (4x) [Ludacris] The whole room full of candles lit
Strip down get ready for seduction My body all over
your body Our body language is the only discussion I
see you blushin' You can't hide the fact that I'mma blow
yo mind You done had a hard day, stressed out Ready
to get up off them feet and I'm so on time Tick-tock go
the clock, it's Ludacris Lick-lick-lick all over yo BODY
Conjure on ice, you ain't gotta think twice Get nice so
that you can get NAUGHTY My tongue is the life of the
party And I'mma dance all down yo spine And you can
scream and beg for mercy But I won't stop til I make
you mine [Robin Thicke Verse 1] Stressed out, uptight,

your naughty side Follow me, where we're going we
don't need no bread crumbs Cant you see, baby You're

me be your medicine. Cuz I got one thing on my mind,
I'll be your valentine Spread your wings and baby fly

Love if you want to, scream if you want to Just let me
love you lay right here, girl don't be scared of me Give
