Maybe we could make it alright  
We could make it better sometime  
Maybe we could make it happen baby  
We could keep trying  
but things will never change

So I don't look back  
Still I'm dying with every step I take  
But I don't look back  
Just a little, little bit better

Good enough to waste some time  
Tell me would it make you happy baby  
We could keep trying  
but things will never change  
So I don't look back  
Still I'm dying with every step I take  
But I don't look back  
We could keep trying  
but things will never change  
So I don't look back  
Still I'm dying with every step I take  
But I don't look back

And it hurts with every heartbeat  
And it hurts with every heartbeat  
And it hurts with every heartbeat  
And it hurts with every heartbeat  
And it hurts with every heartbeat  
And it hurts with every heartbeat  
And it hurts with every heartbeat  
It hurts with every heartbeat
