Yeah, 1994

69 Boys backed up by the quad city DJs

One time

Cotton candy, sweet and low, let me see that tootsie roll

Come on, tootsie roll, just make that tootsie roll

Here we go, tootsie roll, just make that tootsie roll,

Yeah, tootsie roll

Let me see that tootsie roll

Get on the floor and make that tootsie roll

To the left, to the left, to the right, to the right

To the front, to the front, to the back, to the back

Now slide, slide baby slide, just slide baby slide

Just slide baby slide, come on come on

To the left, to the left, to the right, to the right

To the front, to the front, to the back, to the back

Now dip baby dip, come on let's dip baby dip baby

Dip baby just dip, baby dip baby dip

Just Dip, Cotton Candy sweet and low

Let me see that tootsie roll

I don't know what you've been told

It ain't the butterfly it's the tootsie roll

A brand new dance so,

Grab a partner get on the dance floor

And work them hips a little bit

And do that dip a little bit

Oh yeah, you got it, no whips, baby, no butts about it

And you over there with the long hair

Keep workin that derriere, cause it ain't hard

Just a brand new dance for the 1991

69 is the place to be, a yo Skee, what we came to see

Cotton candy, sweet and low, let me see your tootsie roll

Here we go, come on, tootsie roll, come on, tootsie roll

Let me see your tootsie roll
Come on, tootsie roll, just dip that tootsie roll and
tootsie roll
Here we go tootsie roll

Just I feel a whoop comin up, a whoop comin up,
I just feel a whoop comin up, a whoop comin up,
Whoop, come on, whoop, come on
Whoop, yeah come on come on and,
