And if it ain't to much to ask
Can you leave me a lil extra cash?
Cause i ain't gone lie
All these christmas lights got my light bill high
I ain't got no chocolate chips
To go along wit no glass of milk
But I got some chips and dip baby!
Kool-aid to sip baby!
I'ma leave da club at a quota till 4
And all i wanna see when i hit da door
These twelve things on my christmas list
And it goes a lil sum thin like dis
