#### Verse 1

Take a step back look around at this life  
Do you see what I mean when I say  
This is wrong but it feels so right I'm lost again (I'm lost again)  
But I know that I'm falling, I'm falling down to my knees  
I'm praying that this ends tonight  
I just need to feel your love inside my heart tonight  
Because without you here I am dying

#### Chorus

So when the day, turns to night  
I pray I'll be, on your side  
I thank you Lord, for giving me  
Another chance, for my eyes to see

#### Verse 2

Take a step back and see what I've become  
I can't believe all the things that I've done  
How could I have been so wrong, this can't be true, this can't be me  
But I know that I'm falling, I'm falling down to my knees  
I'm praying that this ends tonight  
I just need to feel your love inside my heart tonight  
Because without you here I am dying

#### Chorus

#### Bridge

It's time to change this, time to rearrange this  
Turn my back on this life, turn my back on these lies  
Show you what I can be, throw away the old me  
Write a new beginning, to this life I'm living  
It's time to take a stand, and show you who I am  
I'll never let you slip back thru my hand  
Because when you pulled me close and said son don't let go  
It's time for you to see that you belong to me

#### Chorus

So when the day, turns to night

I pray I'll be, on your side  
I thank you Lord, for giving me  
Another chance, for my eyes to see
