And burn in blood all the sinners sons  
Winners and gridders of an appropriate thought  
Hellfire spark from the teacher tongue  
Sing along to the sailor's song

Wo oh coz you speak in tongue but the boys and girls  
ain't dumb  
Wo oh coz you speak in tongue but the boys and  
girls!!!

I wanna see you in pink

Red rivers of love are gonna make you numb  
Tip of your toe to your curly tongue  
And contemplate she lies awake  
He just dissolve and then he shatter then fold

Wo oh coz you speak in tongue but the boys and girls  
ain't dumb  
Wo oh coz you speak in tongue but the boys and girls  
ain't dumb

Wo oh coz you speak in tongue but the boys and girls  
ain't dumb  
Wo oh yeah coz ya speak in tongues but the boys and  
girls they're alright

Red rivers of love are gonna make you numb  
Tip of your toes to your curly tongue  
Hellfire spark the teacher tongue  
All sing along the sailor song

Wo oh coz you speak in tongue but the boys and girls  
ain't dumb  
Wo oh coz you speak in tongue but the boys and girls  
ain't dumb  
Wo oh coz you speak in tongue but the boys and girls  
ain't dumb  
Wo oh yeah coz ya speak in tongues but the boys and  
girls they're alright
