Intellect escapes me, and I find more sense in common
insects

Than whatever sense in this excess interest
Yeah the rates I pay to further impress you, ever
change

And the rates that I pay to further impress you, ever
changin'

She's walking away, walking away
Walking away, walk walk away
And I just don't get it
And I just don't get it no

Oh the news today it hit, like a ton of bricks from the
story fifth
And I don't get it, I just don't get it anymore
Yeah and the rates I pay to further impress you, ever
change
And all the rates that I pay to further impress you, ever
changin'

She's walking away, walking away
Walking away, walk walk away

And I just don't get it
And I just don't get it no, nothin'

Oh no, go slow
I can't get up because I know
I know, I go slow
I can't get up, but...

Oh the news today it hit, like a ton of bricks, the storey
fifth
And the rates I pay to further impress you, ever change
Yeah all the rates I'll pay to further impress you, ever
changin'

She's walking away, walking away
Walking away, walk walk away
And I just don't get it
And I just don't get it no, nothin'

She's walking away, walking away
Walking away, walk walk away
And I just don't get it
And I just don't get it no, damn yeah she's walkin
