- Words and Music by Marion Weiss and Edna Lewis

I-I-I wish that we were married

So we'd never, never, never, never say "Goodbye"

I'm glad we're going steady

But I wish the time would fly

I wish that we were married

And I know you wish it, too

'cause when I have to leave you

We both feel so lonely and blue (so blue)

Two kids can know what love is

They can cry all through the night

Yes, we know We know how it feels to be lonely
To cry , cry , cry I know, I know we'd be so happy

If we never, never, never, never have to part

I wish that we were married

Yes, I wish it with all my heart

I know, I know we'd be so happy

If we never, never, never, never have to part

I wish that we were married

Yes, I wish it with all my heart

(I wish that we were married, don't you?)
