Time for me to get focused, back to the game  
Time for me to get while I can, cause it ain't the same  
Tripping on that booty, tripping, tripping on that money  
Like I ain't seen them before  
And if you wanna ...them  
, on the way to the live  
Hating ass niggers on the way to the ride  
Safe .. for the clowns  
If you got nigger, gotta take it , if you wanna be down  
Shouts to the fans, shouts to the man  
,you wanna be part of the band  
Most of them , shouts to the ,

I know yo can't handle this  
And if you ain't built for this  
And if I can't get it none of y'all gonan make it  
And if it ain't the swag, I don't know what it is  
So you better start actin' like it, actin' like it, actin' like it  
Actin' like it, actin' like it, actin' like it  
So you better start actin' like it, actin' like it, actin' like it

Everything I do wanna track call it killer  
Harmonies and melodies bullets strokes to the teeth  
Got a text the other day say come and ,  
,that ass, but I ain't no killer  
If I take the shit back to Africa I'm fucking king  
If I bring it to the states I'm still fucking king  
You said stay true bobby said what's new  
,always makes sure your boys stay cool

I know yo can't handle this  
And if you ain't built for this  
And if I can't get it none of y'all gonan make it  
And if it ain't the swag, I don't know what it is  
So you better start actin' like it, actin' like it, actin' like it  
Actin' like it, actin' like it, actin' like it  
So you better start actin' like it, actin' like it, actin' like it  
Respect the club yeah,  
You better start, actin' like it, hey  
Actin' like it, hey, every day.

Thanks to Andrei
