Here we go!
At the movies one night
So them Bmg jeans and them Gucci boots
Saw you walking my way
With them m&m's and a mountain dew
Caught you switching booties when you walked by
And you're coughing with your make up, but it's alright
Girl before you go, (before you go)
Slide your number on the low

[Chorus]
Fool with you, are you down with that
With no strings attached?
Fool with you, keep it on the low
He ain't gotta know
I wanna fool with you
Gots to put it down
When he ain't around, I wanna fool with you
Here we go, oh
Verse 2, 2

I see you sitting real close
Got your man on the side
But we do even most
You pull my hand on your thighs
So I can feel underneath your clothes
Ain't nobody knowing but it's so hot
Got a nigga going baby, baby don't stop
Can't be more than just a lover
But now we're undercover

[Chorus]
Fool with you, are you down with that
With no strings attached?
Fool with you, keep it on the low
He ain't gotta know
I wanna fool with you
Gots to put it down
When he ain't around, I wanna fool with you

Let's sneak out the exit door

Drop the lights down so he won't know
We gonna sip on some liq,
Give you some of this
Be back before the credits roll
You know, you know, I know, I know
That you want me to grab that waist
I know, I know, you know, you know
That I gots to get a taste

[Chorus]

Fool with you, are you down with that
With no strings attached?
Fool with you, keep it on the low
He ain't gotta know
I wanna fool with you
Gots to put it down
When he ain't around, I wanna fool with you

I'm gonna freak your body right
Girl tonight, I'll freak your body right
Loving that lipstick, lipstick, sexy thighs
Meet me at my place so we ain't gotta hide
Fool with you, oh, oh, oh, whoa, oh

[Chorus]

Fool with you, are you down with that
With no strings attached?
Fool with you, keep it on the low
He ain't gotta know
I wanna fool with you
Gots to put it down
When he ain't around, I wanna fool with you.
