Girl, I know that I've been wearing out your ear
Talking all night even though you say it's ok
The end, got to have been there, but I'm feeling like a
whirlwind
All that's on my mind is tryina get up under your skin
In about five, I'mma switch it up, girl is that time, help
me feel it up
And I know you're ready, that's what you're here for

And I know that you've been trying to get it on tonight
Girl, I know that you've been staring at my bed all night
'Cause I see you reaching, and you hold it, ready to get
on it
So shorty let's waste no time, look in the fridge, I
brought the red wine
Hurry up, hurry up, hurry up, hurry up

Trying to be a gentle man 'cause I don't know what
you're thinking
What you're thinking
But I know you ain't gonna trip if you get what you're
missing
She promised me to lead the conversation to let you
know I'm here
It's too late 'cause you're looking at me like
I'm wishing to the bed, what are we waiting
Stop playing when you're thinking what I'm thinking of
Been trying to get it on tonight
I can tell that you've been staring at my bed all night

And I know that you've been trying to get it on tonight
Girl, I know that you've been staring at my bed all night
'Cause I see you reaching, and you hold it, ready to get
on it
So shorty let's waste no time, look in the fridge, I
brought the red wine
Hurry up, hurry up, hurry up, hurry up

If only the neighbors knew what I'm about to do to you
Screaming, yelling, till the cops come knocking
Got your pretty ass right in front this love bed

Doing what lovers do, let me show you how to
Can never be enough sex, girl, I'm strong, too
Girl, it's all on you, she been ,, I've been waiting all
night long
'Cause boy you've been

Trying to get it on tonight
Girl, I know that you've been staring at my bed all night
'Cause I see you reaching, and you hold it, ready to get
on it
So shorty let's waste no time, look in the fridge, I
brought the red wine
Hurry up, hurry up, hurry up, hurry up
