Tell me baby

Feels just like I'm drowning, drowning touch the air
Time's grinding now nobody is reaching off for me
slowly slowly ..

The fever ohh that I broke out
Socked up in my swag tryin to be a man
That I tell someone but I can't find you around
Going through to sleep ..harder than it seems
Girl your..is coming .. upon it.

Chorus:

Maybe just another night with you
Whether if ..this ..to do of you
All I know it's been cold
And I hope that you're the reason why
That I can't get no sleep, no sleep, no no sleep ,no
sleep,
I can't get no sleep, no sleep , no no sleep, no sleep
I can't get no sleep inside here, no no inside here
I can't get no sleep and .. no no sleep ..here ohh

Dreams getting for good staring at the ceiling
What the .. 's going on
do you mind ..
So I won't feel alone, baby that alcohol was one of my
babies flow
You don't .. don't try to act unforgiving
But let me live ..
Socked up in my swag tryin to be a man
That I tell someone but I can't find you around
Going through to sleep ..harder than it seems
Girl your..is coming .. upon it.

[Chorus:]

No sleep, I can't get no sleep
I can't get no sleep, no
No sleep, yeah
No sleep.

Thanks to garbo
