knock knock, booty
out of love in the air
curiosity leave you wonderin
anticipation got you lose you know your patience babe
do you know what I'm something beneath the flowers
so you're ready to sleep
no it aint'..
let's give a time give a room to breathe
tonight is too young

Chorus:

what you gonna do when something you want the most
and I got it right here
and I know you tried up same you should 'ol
but tonight I'ma make this one clear
same 'ol, same 'ol, same 'ol , same 'ol
same 'ol, same 'ol, same 'ol , same 'ol
same 'ol, same 'ol, same 'ol , same 'ol
I put in work all week and wait to see
if face tell em how is fell
girl it ain't you
same 'ol, same 'ol, same 'ol , same 'ol
same 'ol, same 'ol, same 'ol , same 'ol

Matter of fact your birthday better than your fantasy
eyes..black and fire and you swingin melody
you say one in an extasy I dont no medicine
all I need is what I got let's be liek..
it's underneath the fly way it's all ready to see
no it ain't affair
just give a time to ..the night is still young

[Chorus:]

I told her baby girl are you ready she said
I met out your.. spin about for the minute
tonight looking another without no hesitation
shoudl wear a.. and grab me
she rebuild the box open and.. ain't nothign

same 'ol, same 'ol, same 'ol , same 'ol

same 'ol, same 'ol, same 'ol , same 'ol

[Chorus:]
