Shortie wanna get with me

Chorus

Shortie checking me when I am flexing on my team  
Makes me wanna it shortie wanna get with me  
She tuck me in my shoulder just to make me notice her  
then she look at me  
Shortie wanna get with me  
Shortie wanna get with me  
I'm gonna let her, I'm gonna let her, I'm gonna let her  
Shortie wanna get with me  
I'm gonna let her, I'm gonna let her, I'm gonna let her  
Shortie wanna get with me

She is a go-getter she knows what she wants  
Send her to my way drinks on the house  
She paid for my food took me out of town  
She got me feeling like I was the only man alive  
I saw her coming my way  
I would of known that I just hit the lottery girl  
And the way she approached got me looking like a ..  
.. her number fallowing me for 10 am  
She asked where I am from  
I told her  
Judging by her eyes I can tell she mean to me  
She loves my swag  
I think i got the feeling

Chorus

When I saw her dancing we start a conversation  
She told me  
What she was looking for  
She said she wants a man not a photo  
She thinks she found him she ain't got to look no more  
And you can see her smile on the face cause love is in  
the air  
And I ain't even plan this at all  
She approached got me looking like a ..  
Slaughter me her number fallowing me for 10 am  
She asked where I am from

I told her  
Judging by her eyes I can tell she mean to me  
She loves my swag
