...something like ..said  
Shaking my view from the window  
Tell me why the ocean smells like you  
Tell me why there ain't been someone new  
.. and pain, got a heart to explain  
Lipstick on the shipping unfinished from yesterday.

Bridge:

Then I thought myself if you came again  
What would I say?  
What would I say?  
Or if I get your text line  
Baby I'm sorry, girl I'm lonely  
even though you're really f\*cked up.

Chorus:

I'd say xoxo xoxo ohh  
Xoxo xoxo come home.  
I'd say xoxo xoxo ohh  
Come home, xoxo oh xoxo.

Never ..a blunt but why smoker ..  
Timbaland on my table you wanna ..on  
I can ..a shadow but you ain't that muscular  
Go finish ..your business  
'cause I bet you ..

Bridge:

Then I thought myself if you came again  
What would I say?  
What would I say?  
Or if I get your text line  
Baby I'm sorry, girl I'm lonely  
even though you're really f\*cked up.

Chorus:

I'd say xoxo xoxo ohh  
Xoxo xoxo come home.  
I'd say xoxo xoxo ohh  
Come home, xoxo oh xoxo.

Right of the LOL ..wish you well  
With a corner ..do I wanna ..  
For that nigga that you're sleeping with  
By the time I get home better back your shit  
So the box that you left on the kitchen seat  
aren't gonna tell me it was your daddy, sure.  
But it's slowly 'cause the nigga needs a person  
And if you text me right now  
That's what I would say.  
[Chorus:]

Thanks to garbo
