

## No More "El Dorado"

Visit "[El Dorado](#)" on MotoLyrics.com

At night the moon shines bright  
With the stars on your side  
There's no reason to have fear

Why do you hide your feelings?  
You better just believe in  
Strive for El Dorado  
Why don't you?  
Why don't you?

Can't you hear your soul is calling  
To make the big walls fall in  
Strive for El Dorado  
Why don't you?  
Why don't you?

At night the moon shines bright  
With the stars on your side  
There's no reason to have fear

It's just the fear inside  
That makes me wanna hide  
I dream of El Dorado  
Can't reach it.  
Can't reach it.

Why do you hesitate?  
Act before it's too late.
