Hypnotized

Walking through the streets
Looking at the people
Watching some TV at home

Hypnotized - I'm so - Hypnotized
Hypnotized - I'm so
Hypnotized - I'm so
Hypnotized - I'm so
Hypnotized - I'm so - Hypnotized

I looked in the mirror
And thought it was me
What a fool am I?

Hypnotized - I'm so
Hypnotized - I'm so
Hypnotized - I'm so
Hypnotized - I'm so - Hypnotized

Smoking a cigarette in a bar
Loving somebody in the snow
Listening to music in a supermarket
It makes so
It makes so
Hypnotized - I'm so
Hypnotized - I'm so
Hypnotized - I'm so
Hypnotized - I'm so - Hypnotized

I looked in the mirror
And thought it was me
What a fool am I?

Hypnotized - I'm so
Hypnotized - I'm so
Hypnotized - I'm so
Hypnotized - I'm so - Hypnotized
