Take Me To Yours
Take Me To Yours - what do have to lose
Take Me To Yours - what do have to lose

You could have been my first love
But you won't be my last
You could have been my first love
But you won't be my last

Take Me To Yours - what do have to lose
Take Me To Yours - what do have to lose
Take Me To Yours - Take Me To Yours
Take Me To Yours - Take Me To Yours

It's about the beginning
Not the end
You could have been my first love

Take Me To Yours - what do have to lose
Take Me To Yours - what do have to lose

You could have been my first love
But you won't be my last
You could have been my first love
But you won't be my last

Take Me To Yours - what do have to lose
Take Me To Yours - what do have to lose
Take Me To Yours - Take Me To Yours
Take Me To Yours - Take Me To Yours
