mukashibanashi wo suru hodo ikita no kana?
fuzake audake janakute ima wo katariaeru

Now, I've gotta say I found the way, kiduitayo
Who I need in my love, kimi ga soba ni iru koto de
Now, I've gotta say I found the way, mitsuketane
Who I want to love, donna yowasa mo hanaseru kimi to
nara

ai wo tozashita kokoro wo tokasu youni
sashidasu omoi wo uketometa
ude no naka tsutawatteku odayakana tsuyosa ni
eien wo kanjita mama And we'd get there someday

kawaru jibun mo itsuka ha aiseru kana?
okubyouna dakede hito ha yume wo akiramerune

Now, I've gotta say I found the way, kikoetayo
Whisper of your heart, kimi to futari iru basho de
Now, I've gotta say I found the way, kanjitane
Hold me down to your heart, chigau mirai no tobira ga
