SOFTLY, SOFTLY - 18/02/1955
3 weeks at #1 - 22 weeks on chart

Softly, softly come to me
Touch my lips so tenderly
Softly, softly turn the key
And open up my heart

Handle me with gentleness
And say you'll leave me never
In the warmth of your caress
My love will live for ever and ever

So softly, softly come to me
Touch my lips so tenderly
Softly, softly turn the key
And open up my heart

Softly, softly turn the key
And open up my heart
