girl

oh i hear that on the radio has me thinkin of you baby i
need you here with me cause im screamin outs your
name hopen you will hear my voice.oh on my way to
your house yeah

boy

um girl yeah you no i love you you no i need you i
wouldnt give you up no i wouldnt you no its true
cause i love you for ever baby girl ill love you in till
death do us part

both

um they try to say itell never work but look at us now
were together and were growin strong oh yeah i love
you so much i need you so bad and i just wanna hold
you yeah

girl

oh baby i need you so deeply its killin me

boy

um girl just hold on it will be oright dont you worrey i
still love you

both

cause i wont give it a break dont wanna lose you no
cause you mean the world to me

boy

baby girl its hard to breath with outs you here i cant
sleep while your gone wish you were here to hold me
tight i love you so much

girl

oh i wanna hold you tight and kiss your lips oh you no
its true

both

oh baby i need you oh i nneed you more than any thing
