69 days I was there Beyond somewhere among the dead Now I came back just to tel What it is to be in human hell

C'mon I'm live I am alive

MotoLyrics

Guess you thought that I would die With a voodoo witch I survived Now I came back to get you scared I wanna be your own living dead

C'mon I'm live I am alive

69 days I was there Beyond somewhere among the dead Now I came back just to tel What it is to be in human hell

C'mon I'm live I am alive
