I was born in sweet innocence  
My mother raised me not to be like one of them  
I still have the same blue eyes  
But what i've become now makes my mother only want  
to cry

Every time i thought i've found  
Someone special i've been brought much faster down  
I have learned to accept  
My life as it is and i've learned to forget  
DON'T YOU UNDERSTAND  
WOULD YOU GIVE ME A HAND  
I'M A BROKEN MAN

I drift around fallen from grace  
But i still believe that someday i will find my place  
Maybe then i'll find you  
Just tell me that you won't break my heart in two

DON'T YOU UNDERSTAND  
WOULD YOU GIVE ME A HAND  
I'M A BROKEN MAN
