Visit "[Dance D'amour](#)" on MotoLyrics.com

Your lips shine like Paris
Mon amour a toi toujours
Mon cherie
But your tears bring a little London to me
Berlin can never be
as cold as you reach

[chorus]
Dance with me to the night
Into the serious moonlight
Brighter than the stars above you shine

and the loving feels
alright

Give me a moment that the world won't need
Ce soir
Tu es moi
Ma cherie
But your fears ain't no strangers to me
Morning can never be as cold as you leave

[chorus]
