She's down with playing Jesus  
She's gonna meet a friend  
I don't wanna stay here  
Cause I know how this will end

She had another falling  
She knows just what to do  
Just like Sid and Nancy  
I will be bleeding after you

D-D-Dead n gone  
Like a sad song, baby hold on  
D-D-Dead n gone  
I can't play along, baby so long  
D-D-Dead n gone

She's down with playing Jesus  
She knows just what to do  
I don't wanna stay here  
I will be bleeding after you

D-D-Dead n gone  
Like a sad song, baby hold on  
D-D-Dead n gone  
I can't play along, baby so long  
D-D-Dead n gone  
Like a sad song, baby hold on  
D-D-Dead n gone  
D-D-Dead n gone

Just to lay here enlightened  
Just to hold it in  
But if blood can lie then  
I don't need your love

D-D-Dead n gone  
Like a sad song, baby hold on  
D-D-Dead n gone  
I can't play along, baby so long  
D-D-Dead n gone  
Like a sad song, baby hold on  
D-D-Dead n gone

I can't play along, baby so long  
D-D-Dead n gone  
I cannot stay I cannot play along  
D-D-Dead n gone  
It's all gone wrong just like a sad song  
D-D-Dead n gone  
Why do we stay? Why do we play along?  
D-D-Dead n gone  
It's all gone wrong just like a sad song  
D-D-Dead n gone  
D-D-Dead n gone
