down in dirt  
i feel hurt  
i got my ass on the line  
for nothing but the first time

shine on shine on shine on  
a little light on me  
shine on shine on shine on  
a little light on me

down in dirt  
baby i feel hurt  
i got my ass in gear  
save my skin in the clear

shine on shine on shine on  
a little light on me  
shine on shine on shine on  
a little light on me

shine a little light on me  
pretty woman set my soul free  
shine a little light on me  
pretty woman break my heart free - yeah

shine a little light on me  
pretty woman set my soul free  
shine a little light on me  
pretty woman break my heart free - yeah

shine on shine on shine on  
a little light on me  
shine on shine on shine on  
a little light on me yeah

pretty little shine, baby  
yeah  
c'mon

shine sister shine a light on me  
shine sister shine a light on me  
shine sister shine a light on me

shine sister break my heart free - yeah
